The Petroleum Club is incorporated as a company limited by Guarantee under the Companies and Allied Matters Act.

The Club is conceived as a private members club where the leaders of the oil and gas industry can interact. Though membership is dominated by oil and gas executives, other professionals such as bankers, accountants, lawyers etc are well represented.

The Club is run by a Board of Governors and a Management team responsible to the Board.

Advantages of membership

Members can enjoy the fellowship of accomplished leaders in the industry. They will have the opportunity to meet and interact with eminent national and international business leaders, and oil and gas professionals.

Networking

Valuable contacts can be established, transactions discussed and business deals sealed during club activities/events

Membership Classifications

There are three classes of membership namely, Ordinary Members, Corporate Members, Associate Members & Honorary Members. The Club's membership will be limited to the number considered adequate to assure enjoyment of the Club by its members.
